

CASE STUDY FOR INTERACT INTERIORS LTD.

Client: Sedgwick Group
Location: 5th & 6th floors, Sentinel Building, 103 Waterloo Street, Glasgow
Value: £350k

Interact Interiors were instructed by Sedgwick Group to refurbish their new offices to a high standard to enable them to move from a previous Glasgow location

Programme: 12 Weeks – June-August 2020

Key Project Details:

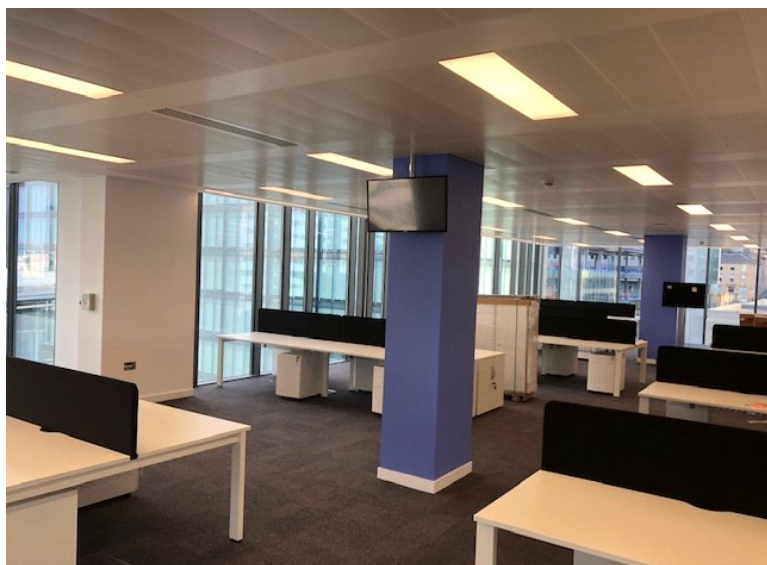

- Extensive refurbishment of offices over 2no floors from a bare shell, complete mechanical and electrical/AV fit out incorporating client's own data installation, installation of proprietary Optima partitions forming offices and meeting rooms including glazed screens and doors
- Installation of new canteen over two levels, formation of clients breakout areas, decoration and hard and soft floor covering throughout.
- Bespoke finishes to offices, meeting rooms and conference areas.
